Best option — = Not recommended. TBD = Values were not available at time of printing. ¹Full capacity only provided by 40-B220X or 40-B330X. ¹¹Full capacity only provided by 40-B540X.
²Requires BLi backpack batteries ³Run time refers to the use of two batteries ⁴Requires adapter plate and battery adapter for use with backpack battery. The runtimes are up-to times and correspond to work time using energy saving mode: actual work, basic maintenance and movement/climbing needed for generic operations.

Given guidelines are indicative only and may not always be repeatable from one setting to another.

CHARGING TIME FOR DIFFERENT BATTERIES AND CHARGERS
